Mr. ZELJKO HALITI has been looking after my violins for some years.
He has rare talent to combine his knowledge as a string sound expert and
violinist.

Being a wonderful musician, he can feel the "healthy" sound of the instrument
and understands the wishes and style of a player.

Mr. Haliti has made for me:

- A. Stradiuarius 1691. "Ex Hilton",
- A. Stradiuarius 1727. "General Dupont"
- A. Stradiuarius 1711. "Lady Inchiquin".
- J.B. Vuillaume 1839.

All violins have incredibly improved. The sound become absolutely unforced,
free with all overtones, and color of all four strings have equally improved.

During my career I have heard many great violins with a blocked sound.
I hope, that they would find the right skilled person to repair and make them
happy again.

Mr. Haliti is definitely my choice.

Köln, 1/11/2007

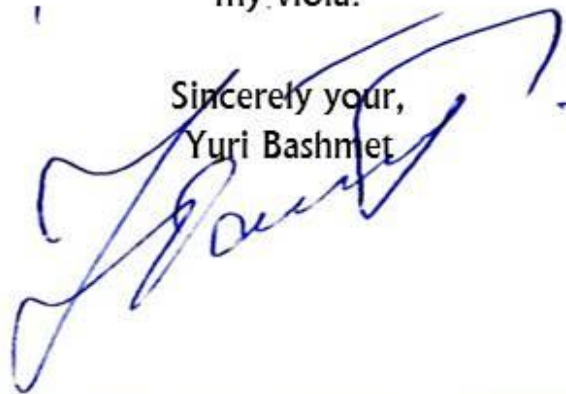

1. November 2007

During many years I was visiting many luthiers all around the world in searching of better sound in my viola made by Paolo Testore in 1758. In the International Festival of Verbier 2007, I met Mr. Zeljko Haliti. As an excellent violinist and very fine specialist of sound adjustments, he discovered with new bridge and soundpost in my viola another dimension of the sound, full of overtones and freshness. In his unique way of adjustment, he knows how to reach the perfect fusion between artist and instrument. Thanks to Mr. Haliti finally I could understand what possibilities have my viola.

Sincerely your,
Yuri Bashmet

In my opinion Zeljko
Haliti is one of the
world's leading specialists
for any kind of sound
adjustments on string
instruments! I can only
advise every musician in need
of their instrument to improve
to get in touch with this noble
man.

Sincerely,
Julian Pachter

My dear Zeljko!

It is such a pleasure to meet you
finally here in Dubrovnik, after hearing
so many wonderful things about you
from Julian! You are truly an
amazing person with unbelievable ears
which you use fully to make our
wonderful instruments sound even much
better! Thank you so much for that!

Love, Yasmine Garsea

It has been a great pleasure to have
my Stradivarius 1717 adjusted &
tuned by Mr. Haliti.

In my opinion he has an exceptional
ear for the sound & adjustment of
the violin as well as the specific
demands & wishes of the player.

I highly recommend Mr. Haliti's
services to any of my many
colleagues. Darby Shores by

Caro Zehko,
non è facile trovare le giuste
parole per ringraziarti!
Lascio che sia il suono del
mio violino, che nelle tue mani
è rinato, a parlare e a dirti
GRAZIE!! di cuore.

Con amicizia e profonda stima

My dear, dear Zeljko,

There are no words to express my admiration and gratitude for the absolute magic of the two days that we spent on my violin. I appreciate it beyond measure and, needless to say, will recommend this to every person deserving your help. You are a marvel.

Yours,

Mister Zeljko Haliti is
one of the most surprising
gifted and professional artists
I ever met. His art of adjusting
instruments is amazing.

I left his workshop happy,
inspired and full of the new sensations.
His way to communicate with
musicians seems to me absolutely
fantastic!

Thank you very much!!!

For dear Zeljko,

Thank you, also on behalf of
Petrus, for blowing new life into
my musical extension. Today my
violin feels 250 years younger,
radiating with fresh energy and
glowing in joyful excitement!

The fact that you heard, inside your
mind and based on your perfect intuition,
the potential of this violin is incredible.
Even more so, that at the end of the day,
the instrument actually sounds the way
you imagined it, blows my mind and
surpasses my dreams. You clearly speak
the language of the violin, and that's a
unique gift. I'm carrying home a violin
with a huge smile on its f-holes :-)
Many thanks again and I'm looking forward
to riding this horse in all the colors of the
rainbow. Many warm regards,
Frederieke Saeijs. ~~FF~~
