

14th Swiss International Music Academy (SIMA) 2024

Application letter for cost reduction on room & board

Financial support for a reduction on the costs for room & board can only be granted in exceptional cases. By bearing all costs for the course, YOUTH CLASSICS has very limited resources, which can only be given to students who can justify the need of an extra scholarship. A written statement explaining the need of support is therefore required from the student or the parents by the artistic direction. Exceptional need for financial support must be proved. In addition to this application letter, **two recommendation letters written by renowned musicians need to be included** in the applications. Recommendation letters by the own teacher or the teacher at the SIMA are accepted. Without recommendation letter, the application for cost reduction will not be proceeded.

The decision on the award of the extra scholarship will be communicated in June 2024.
